National Friends of Libraries Week - 2017

October 15-21

The Friends of the Saratoga Libraries will be celebrating all our volunteers as we join other Friends groups throughout the United States in commemoration of the 12th annual National Friends of Libraries Week October 15-21. This week is dedicated to thanking the volunteers who help make the Saratoga Library a community treasure. The Friends of the Saratoga Libraries, comprised of over 800 active members and over 200 volunteers, brings in the much needed funding and gifts of time to support the many programs offered by the Saratoga Library.

The Friends of Saratoga Libraries has been supplementing the general operating budget of the Saratoga Library for over 40 years. The average annual grant is \$140,000. This funding is made possible by the Friends membership and from the easy, affordable access to book sales through the Book-Go-Round, the Saratoga Library Café Bookstore, The Friends Bookshelves at the Joan Pisani Community Center lounge and the library used book sales.

"Saratoga Library would be a different place without the support of the Friends of the Saratoga Libraries. Each month the Friends volunteer 1,000 hours to raise funds for the library. In recent years the Friends of the Saratoga Libraries have provided the Saratoga Library with an annual grant. With this grant we are able to provide programs for all ages and library materials for the community to enjoy. National Friends of Libraries week gives us and the entire Saratoga community a chance to say thanks. Thank you so much to the Friends of the Saratoga Libraries for your support! We are forever grateful for your efforts." - M. Eitner, Community Librarian

Saratoga Authors on Display!

Books written by members of the Saratoga Authors Hall of Fame are on display in the library until the beginning of October.

The Saratoga Authors Hall of Fame was created in 1989 as the Friends of the Saratoga Libraries contribution to the "Celebrate Saratoga" week-long, community-wide celebration which was organized by the Chamber of Commerce. A list was compiled of published books by authors who are current or former residents of Saratoga, living or deceased. The first list contained about 50 names, with 34 living authors. By 2000 the list had grown to 126 and to 148 in 2005. Currently, there are over 240 published Saratoga authors in the list!

When they are not on display, the books in the library collection are available for check out or can be viewed in the library's reference section. However, the books unique to the Friends collection are not available for checkout.
